Educator Tactics

Reporting Hotline: 573-340-6573

- Stand near the circulator
- Encourage potential signers to think about what they are signing
- Emphasize the signatures and the information signers leave on the petition is public and can be accessed by anyone
- If the circulator is on private property, speak with a property manager to determine if the circulator has permission to be there
- Record any evidence of a circulator badgering potential signers
- Record any evidence of the circulator misrepresenting the petition to potential signers
- If circulators are carrying more than one clipboard, clarify which the circulators are asking potential signers to sign
- Observe and record unattended petitions
 - When recording unattended petitions, be sure to capture: a) the individual and specific page and b) the general surroundings showing that is unattended.
